Euro Style Hot Food Merchandiser

GRCD-2PD, GRCD-3PD, GRCD-2P, GRCD-3P

Display more food longer in less space with the **Giles Euro Style Hot Food Merchandiser**. One tier and two tier models are available to provide the perfect capacity for your individual needs.

The Giles Fried Euro Style Hot Food

Merchandiser offers high visibility for all of your products with its curved front glass and bright incandescent illumination. It is ideal for cafeterias, delicatessens, convenience stores, supermarkets or any store that must conserve valuable counter space.

The **Euro Style Hot Food Merchandiser** has removable legs for flush mounting, which makes for a perfect marriage with the Chester Fried Express.

Design Features

Efficient

- EZ-Insert heat tubes in top and middle shelves provide gentle yet thorough warming.
- Tube replacement is simple with one-of-a-kind snap in tubes.
- Insulated heat cable base unit.

Cabinets

- Bright incandescent illumination with on/off switch to display food in its best light.

Easy Controls

- Individual adjustable controls for both levels provide precise warming without continued cooking or drying of food.

Removable Parts

- Sliding glass doors on cook-side are removable for easy access.

Easy Installation

- Six-foot cordset is provided for easy plug-in installation.
- Adjustable and removable 4" legs

Accessories

Unit is shipped with E-Z Insert Pyrex type heat tubes, insulated heat cable base, adjustable heat controls for all levels, pilot lights, bright incandescent illumination with on/off switch, removable sliding glass doors, adj. 4" legs, pans and pan racks and 6' cord set.
